Lifeline Sectors

Up to

\$7,500

per Scholarship

WHY THIS SCHOLARSHIP MATTERS

The Ulteig Lifeline Sector® Scholarship Program supports students pursuing careers that strengthen the essential systems communities rely on every day. Through Ulteig's Gift of Giving initiative, the program provides financial support to emerging innovators and problem solvers across the critical industries that power, protect and connect our world.

By connecting education to real-world impact, the program helps students prepare for meaningful careers that strengthen essential industries, advance infrastructure and support thriving communities.

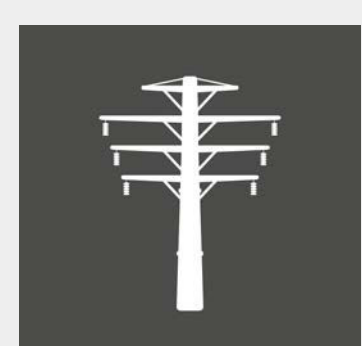

A GROWING OPPORTUNITY

In 2026, Ulteig is proud to award eight Lifeline Sector Scholarships with two scholarships available in each of our four critical Lifeline Sectors:

- Power
- Renewables
- Transportation
- Water

Award values vary by scholarship, with individual awards up to **\$7,500** in tuition assistance for qualified undergraduate students.
